Educating and enriching the minds and spirits of Preschoolers and their Parents within a Cooperative Community

### YEARLY FIELD TRIP/SPECIAL GUEST FEE

We have a lot of exciting field trips planned for this year! Each year EPC pays a portion of the total cost for each field trip, up to \$3.00 per enrolled student. There is an adult fee for some field trips, as well. In order to streamline the field trip fee collection, we have a yearly field trip fee per enrolled Koala and Panda (this includes the cost for one adult when applicable). This year's field trip fee (Koala and Panda) is \$40/child.

- *STAY and PLAY students/families are able to attend specific field trips throughout the year. The cost of these field trips is included in the \$100 Session Fee.*

We are still working on some new and exciting field trips, but be looking forward to:

**Anderson Orchard (Koalas), Hunter's Honey Farm (Pandas), Gateway Gymnastics, Nature Discovery Trailer, Chicago's Pizza, Post Office (Pandas), Firehouse, Karate Studio, Silly Safari, and much more!**

Please note that the Field Trip Fee is **generally for the enrolled student and one adult (there may be a field trip or two where adults still need to pay separately)**. If there is a fee for the attending adult and/or for a sibling or additional adult attending, this will be stated in the field trip information sent out approximately 2 weeks prior to each field trip. Additional fees will need to be paid by individual families at the field trip location.

Koalas and Pandas, please return this fee by August 24<sup>th</sup> at the Member Preview.

Thanks so much!
