

Edgewood Preschool Cooperative

Educating and enriching the minds and spirits of Preschoolers and their Parents within a Cooperative Community

GENERAL INFORMATION LETTER **STAY and PLAY**

Dear Prospective Co-op Family,

Thank you for your interest in our wonderful preschool! Edgewood Preschool Cooperative (EPC) is located inside Faith United Church of Christ at 4040 East Thompson Road. We are a non-profit cooperative preschool that is operated by the families enrolled in the school. EPC parents participate in and contribute to the education and activities of our young students. You will find that getting involved in your child's early education is a very rewarding experience.

EPC teachers are highly qualified, caring, experienced professionals. The curriculum at EPC has been developed over the past 50 years with the continued support of the ICPC (Indiana Council of Preschool Cooperatives) and the NAEYC (National Association for the Education of Young Children). All lessons are taught using "hands-on" activities and conducted in small groups of students. The co-op philosophy is "learning through play." The curriculum is designed to prepare children for kindergarten and promote a life-long love of learning. Children are encouraged to develop independence, discuss ideas, and explore the world around them. Attending EPC, at any age, gives your child the opportunity to develop important social skills, as well as provide a variety of educational experiences.
